NONDISCRIMINATION ON THE BASIS OF DISABILITIES

~~EMPLOYEES AND SECTION 504 OF THE REHABILITATION ACT OF 1973 AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990 - POLICY~~

The Board of Education prohibits discrimination against any individual with a disability with regard to recruitment, advertisement and job application procedures; hiring, upgrading, promotion, awarding of tenure, demotion, transfer, layoff, termination, right of return from layoff, employee compensation, job assignments, job classifications, organizational structures, position descriptions, lines of progression and seniority lists, leaves of absence, sick leave or other leaves, fringe benefits or job training.

Federal law defines a person with a disability as one who (1) has a mental or physical impairment which substantially limits one or more major life activities such as, but not limited to, caring for one's self; performing manual tasks walking, seeing, hearing, eating, sleeping, standing, sitting, reaching, lifting, bending, reading, writing, concentrating, thinking, communicating, interacting with others, speaking, breathing, learning or working; (2) has a record of such an impairment; or (3) is regarded as having such an impairment. The Board will afford qualified disabled individuals reasonable accommodations. The Supreme Court of the United States has recognized that individuals with a communicable disease may be considered disabled.

The Board of Education recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents and members of the public who participate in school-sponsored programs. No discrimination against any person with a disability will be knowingly permitted in any of the programs and practices in the school system.

With regard to its employees, the Board specifically prohibits discrimination against any individual with a qualified disability with regard to recruitment, hiring, promotion or advancement, compensation, evaluation, training, or any other aspect of employment within the school system. The Board will afford qualified disabled individuals reasonable accommodations in accordance with state and federal law.

Disabled employees who can no longer perform essential job functions are encouraged to advise their supervisors or administrators of the nature of their disability and which functions cannot be performed. The Board will consider any reasonable suggestions of accommodation that would enable performance of those functions so long as the accommodation will not

impose an undue hardship on the operation of the school system. The term "disability" shall be broadly construed. The determination of whether an individual has a disability should not demand extensive analysis.

A person is not qualified to perform his/her duties if his/her medical condition or disability poses a threat to health or safety of individuals in the workplace.

Persons, including employees of the district, that feel they may have been discriminated against on the basis of a disability should contact the Director of Pupil Personnel Services.

Employees seeking accommodations for a disability in order to perform essential job functions are encouraged to contact their supervisors or administrators and/or the Director of Pupil Personnel Services. Employees who are interested in requesting or discussing reasonable accommodations for a disability should contact:

Director of Pupil Services and Special Education
215 Halls Hill Road, Colchester, CT 06415, 860-537-3103

Optional language for Fragrance and Chemical Sensitivities: It is also the District's goal to be sensitive to employees with perfume and chemical sensitivities. Employees who are sensitive to perfumes and chemicals may suffer potentially serious health consequences. In order to accommodate employees who are medically sensitive to the chemicals in scented products, the District requests that individuals refrain from wearing chemical-based scented products. These products include perfume, cologne, aftershave, body spray, scented lotion, fragranced hair spray or similar products. In addition, the District requests that spray or solid air fresheners, room deodorizers, plug-in wall air fresheners, cleaning compounds or similar products not be used.
